DONATE TO SENIORS IN NEED *While Reducing Your State Income Tax*

Arizona's Charitable Tax Credit program allows taxpayers like you to designate their state income tax withholdings as a donation to a Qualifying Charitable Organization (QCO) of your choice.

Christian Care Foundation is a not-for-profit 501(c)(3) organization that has three ALTCS (Arizona Long Term Care System) Assisted Living properties which provide medical care to underserved seniors, and each location qualifies as a donation recipient for the Arizona Tax Credit.

You have the option of redirecting your tax money (paid to the State) so that it provides high-quality medical care for our low-income seniors, who rely on government assistance for their essential Assisted Living care.

Thank you for considering our seniors for your Arizona Tax Credit decision.

Testimonies of Gratitude

"I love everything about living here at Fellowship Square! It has given me confidence to have more independence without worrying about my healthcare needs, since the Assisted Living medical staff takes wonderful care of me. I've made many friends here and am proud to be a resident ambassador that is able to also help others."

-Calvert T. (Fellowship Square Resident)

"As a daughter (of an aging senior) who lives out of state, I receive much comfort knowing how well my mother has adjusted to life and activities at her Fellowship Square senior living community. I can honestly say I've never seen my 90-year old mother happier and more vibrant."

-Gayle S. (Senior Resident's Daughter)

"My studio is warm and pleasant. I like having a sense of security living at Fellowship Square and knowing help is available when I need it. Getting transportation is convenient, my three meals a day are prepared fresh onsite, and I love the dear friends I have made here. I also appreciate the worship services, bible studies, and Chaplain guidance offered in this community."
