

Welcome to Christian Care Manor II

Manor II is a not-for-profit Christian Care Community, which was originally established in 1979. From the beginning, our mission has been to provide the highest quality in affordable senior housing to Arizona seniors.

Our Mission Statement:

“*Through Christian love and excellence, we are dedicated to providing a fulfilling lifestyle and promoting independence to those we serve.*”

At Christian Care Manor II, we provide three levels of Assisted Living services: Supervisory Care, Personal Care and Direct Care.

Assisted Living is ideal for those who need supportive services in their day-to-day lives, but who do not require 24-hour skilled nursing care.

We accept both private pay and ALTCS benefits. In order to qualify for ALTCS, residents must be at least 65 years of age and meet certain state and federal program requirements.

Conveniently located in North-Central Phoenix, we are only a few miles from shopping centers, pharmacies and medical centers. We are located on the west side of 19th Avenue, a few blocks south of Cactus Road.

Assisted Living Services

Individualized Care Plans

Prior to admission, our Assisted Living Manager will conduct an assessment with each resident, in order to determine which level of care will best fit the resident's needs. The care plan is then reviewed with the resident and/or the resident's representative upon admission.

Level 1 - Supervisory Care

In Supervisory Care, our certified caregivers provide some assistance with activities of daily living, including meal preparation, housekeeping and laundry.

Level 2 - Personal Care

In Personal Care, certified caregivers provide moderate assistance with activities of daily living, such as grooming and dressing, incontinence management and medication reminders.

Level 3 - Direct Care

In Directed Care, our certified caregivers provide a higher level of assistance with activities of daily living such as ambulation, bathing, toileting, dressing, selecting menu items in the dining room and medication management.
